**Student Essentials**

As we continue to provide students with care items, books and supplies to support reading and learning through the summer, we need to replace inventories of these essentials. **Mobile Food Markets**

Our mobile food markets continue in partnership with St. Louis Area Foodbank on the fourth Tues., Wed. and Thurs. of every month at three school communities. [Join us](#) in distributing fresh produce, bakery and dairy items, and frozen foods at one or more of these markets.
